VOLUME 2 – General

Change Transmittal: GEN-404

Date: March-29, 2013

2 FAM 970 FOREIGN DISASTER EMERGENCY RELIEF

Changes

1. This Change Transmittal issues revisions to 2 FAM 060, Foreign Disaster Emergency Relief. The primary change incorporates new material regarding the Bureau of Educational and Cultural Affairs' (ECA) role in disaster assistance, and includes refugee issues. While small administrative changes have been made throughout (such as acronyms), some older policy remains under discussion, and those policies have not been updated.
2. If this issuance changed less than half the words, we formatted the changed text in *dark magenta italic*. If this issuance changed more than half the words, we did not use *dark magenta italic*. The CT line in each section shows when that section last changed.
3. Officers are reminded that Department-issued materials not codified in the Foreign Affairs Manual or its supplemental Foreign Affairs Handbook series generally have no regulatory validity (see 2 FAM 1111.1).
4. The office responsible for the material in this subchapter is F. Please direct questions concerning content substance and interpretation to this office. Administrative questions on the Foreign Affairs Manual or Handbooks can be directed to A/GIS/DIR, Office of Directives Management.
